---

**N. B.** It is in your own interest to **complete this application form fully and legibly** and to **enclose the following documents**:

- A letter from your competent bishop or religious superior describing in a detailed way the reasons for studying in a foreign country and the responsibilities you shall be entrusted with afterwards. Please do not forget to specify the length of your course of study.
- If you are designated to work as a professor at a major seminary, a faculty of theology or a similar institute after completing your studies, please submit the explicit and detailed written recommendation of the rector or the competent bishop of the educational institute in question as well as information relating to the teaching staff. Please submit 1) a list of names of the professors, 2) the subjects they teach respectively, 3) the academic degrees they hold and 4) the universities from which they received their degrees.
- Your curriculum vitae including all the responsibilities you have had to date
- Copies of certificates, diplomas and academic degree certificates of courses attended previously
- The certificate of registration or a comparable certificate issued by the university confirming that you have been admitted as a regular student
- If applicable, copies of refusal letters received from other organisations
- Copy of your national identity card or passport clearly showing your surname(s) and first name(s)
